

Justin Heitman moved to Ellijay, Georgia, in 2014. Mr. Heitman is a Veteran of the United States Navy, where he spent 14 years of service between Active Duty and the Reserves as a Small Craft Coxswain. He attended the University of Phoenix San Diego, 2003 with a Bachelor's in Computer Science. Justin worked for various Department of Defense Programs over the years and, in 2004, deployed to Iraq, and later Afghanistan supporting Operations for the U.S. State Depart High Threat Protection Program. In 2006 Justin started Heitman International Solutions & Services, LLC, a certified Veteran-Owned Small Business, licensed Private Investigation, Security, and Commercial Drone company. Justin and his company have been community partners with Gilmer's Department of Public Safety, providing various service support operations and training. Justin is also a Volunteer Firefighter of Gilmer County Fire Rescue. Justin is serving as a board member for the Gilmer County Chamber of Commerce and Gilmer County Rotary member. Justin says his most excellent "job" so far is being able to serve Gilmer County in various capacities and continues to enjoy the challenges. Justin has first-hand knowledge of Hospice's importance and the services the organization brings while his family was dealing with the decline of his Father's health from CLPD. The Hospice Staff that supported us were outstanding, and it is an honor to help raise money.
