

Lynn Morrow has called Pickens County home for over 20 years. She and Jason have been married for two years and as a blended family share 7 children: Lauren, Andrea, Zach, Conner, Hailey, Emmalyn, and Lydia, and 3 grandchildren: Jaelyn, Brayden, and Adilade.

Lynn is a Business Development Manager-On Premise for Coca-Cola UNITED of Jasper. She has worked for the Coca-Cola brand for 16 years with the last 8 of those being at the Jasper location.

She is currently in her fourth year as an ambassador for the Pickens County Chamber and is a former ambassador of the Gilmer County Chamber of Commerce helping businesses succeed across the region. Lynn has also served as a Board Member of North Georgia Family Partners for 4 years where they work directly with families in need. In 2023 she created an event to honor our veterans with a luncheon. She had wonderful support from the community and has committed to continue this event for many years to come. Having a father and father-in-law who are veterans helped to instill a deep passion to honor those who served our country. Lynn has a deep passion for veterans and children and wants others to feel as deeply as she does about the cause.

When she isn't busy with her family, Lynn loves to volunteer. She has a servant's heart and loves to give her time and effort to make a difference. So much so, that she has her children, her husband, and several veterans, volunteering each year to make a difference in this community.

Lynn has a passion for giving to this community so that it can give back. She wants to make Pickens a place to grow, learn, work, and enjoy the little things in life.
